Decanter Asia 93 points; Decanter 95 Points and best Amarone
in the tasting*

2012 AMARONE DELLA VALPOLICELLA CLASSICO

The CRU vineyards, located in Monte Sant'Urbano, enjoy a microclimate and a unique terroir. This produces grapes capable of surprising us at every harvest.

The 2012 harvest also gave us the opportunity to produce an Amarone that meets two essential requirements for us, class and traceability.

It has a ruby red colour with light garnet reflections and the nose is broad and refined.

The notes of red fruit steeped in spirits, typical of the denomination, alternate with notes of rhubarb, blond tobacco, cinnamon and touches of cinchona at the finish.

On the palate, the wine is enveloping and structured.
